

Flipped Athletics

Kristijan Perčič, prof. športne vzgoje

9. maj 2016

I'm:

Athlete

ICT enthusiast

My motto:

A typical profile of physical education teacher

sport discipline oriented

reputation (+/-)

injuries

motivation (self/student)

Physical Education

Activity

Technics

Tactic

History

Theory

The importance of theory in sport

Technology used

Until now I have used:

- Virtual Classroom
- Website
- Facebook
- Photo
- Video
- Time Shifting Video
- Trackers

This year I have tried:

- ThingLink
- Zaption

Technics - tactics

- Correctness of the execution
- Correct timing
- Rules and regulations ...

Evaluation

Advantages

- Better motivation
- Learning wherever and whenever
- Higher quality in performing exercises
- We want more!

Disadvantages

- Quality / applicability of communication channel
- To define activities precise enough
- Short videos max. 5 min
- ...

Evaluation questionnaire

Ti je ta način dela, da ti posredujem kratek video o vsebini, ki jo bomo delali pri pouku všeč?

Why do you like this method?

Ker pri uri nea zglblamo kajta

Lažje si je predstavlat ucnu uro...

Da vem kaj bomo delali da se lahko veselim naslednje ure 🥰

Saj se lahko na vsebino pripravim

Ker se lahko naprej pripravimo recimo vzamemo suhe za ven al pa kaj podobnega

Ker vem naprej kaj bomo delali in je kull

ker vemo kaj se bo dogajalo

Ker prej naredimo kar moramo pol pa lahko delamo stvari, ki so nam bolj všeč. Igra je naša najboljša prijateljica :)

valda

Prvi video je bil z profičko (lepa), drugi je bil z vprašanji na koncu - to je boljše

Did you have any problems, difficulties at flipped learning?

Na kakšne težave si naletel pri tovrstnem načinu dela?

Wifi malo zajebava vcasih

Na nobene

Brez težav 🙌🙌

Nisem naletel na težave

Vcasih vsi ne pogledajo

nisem

Malo smo imeli problem pri FB grupi, sam mislim da je to rešeno al pa še bo. Pa eni so kao brez fb...

nisn

Prvo mi link ni delal pol pa je šlo

Kje si pogledal posnetke, ki sem ti jih poslal preko FB?

Add question

Where

did you watched the video?

At home

In school - during the break

During the class

Other

Bi rad predlagal še kaj? / suggestion?

Ne

Ne

Rad bi da tak delamo se naprej

Nee

Super ste

več fuzbala

še več tega

qlsko

Tak naprej - narejite še kakega

- Motivator
- “Enabler”
- Trustee

Let’s use it - to serve us!

Quality of learning process can be better.

Students love it!

- Quality physical activities
- Theoretical knowledge

Very efficient for improving motoric skills
