Hidden Architecture

Give voice to periphery

Alberto Martínez García
Héctor Rivera Bajo
resistance
Define a Center
Define a Center

Pro-western, unequivocal, globalizing, homogenizing, patriarchal, submissive
Find the periphery out
Find the periphery out

Difference, unclassifiable,
ambiguous, transverse,
uncomfortable
An ideal serving media domain
beyond humanist concerns
network
Maps is a tool where you can find the exact location of the buildings and exhibitions we have been publishing at Hidden Architecture with the link to the own post.

Ha attempts to recover any kind of building, project, thought or theory including an important and worthy value from our point of view.
Hidden Architecture is resistance, making visible the difference.
