Trnovo Kindergarten

**Open didactic stage** is our open form of learning environment and learning for personal and mutual intergenerational learning stories and for holistic learning experience of the youngest.

Creating implemented curriculum **on our own way** by Project Work with a Puppet (PWP) and Pedagogical Puppeteer (PP).

**Theatre Lab Trnovo (TLT)** nexus for innovations based on ideas in learning stories as the most open form of learning (experiential and experimental game of self-development).
Primary School Savsko naselje

Developmental-demonstrational centre of primary schools in Slovenia for:

development, testing, demonstration, and dissemination of good practice with emphasis on different forms of OER and open education

Universities and HigherEd
OER in health care institutions
OER in public administration
OER and Industries (various actors)
Next steps

Commitment → Action

Action → Reality
