how to use the transformative potential of outsider buildings within society not as a picturesque exception but as a subversive mainstream reality?

RUINCARNATION

reuse of ruins as a mainstream practice of establishing a conflict between an existing open structure and new uses(s) in search of a critical, sustainable, de-fetishized, de-commodified and anti-nihilistic architectural future

RUINCARNATION ≠ RECYCLE ≠ RENOVATION
REUSE VS. RUIN-PORN
