eLEX2011

Electronic lexicography in the 21st century: New applications for new users

Bled, 10–12 November 2011
Will there still be dictionaries in 2020?
Processing...
Please rephrase.
Will there still be paper dictionaries in 2020?
YES, but probably not everywhere.
World Internet Penetration Rates by Geographic Regions 2011

- Oceania / Australia: 60.1%
- Europe: 58.3%
- Latin America / Caribbean: 37.0%
- Middle East: 31.7%
- World, Avg.: 30.2%
- Asia: 23.8%
- Africa: 11.4%
Will there still be e-dictionaries in 2020?
Yes, but…

(please, wait, processing…)
Not many people will call them dictionaries.
