

Facing demographic challenges

IS 2012

8th and 9th October, 2012

6th year, **16** papers, *Separate Proceedings*

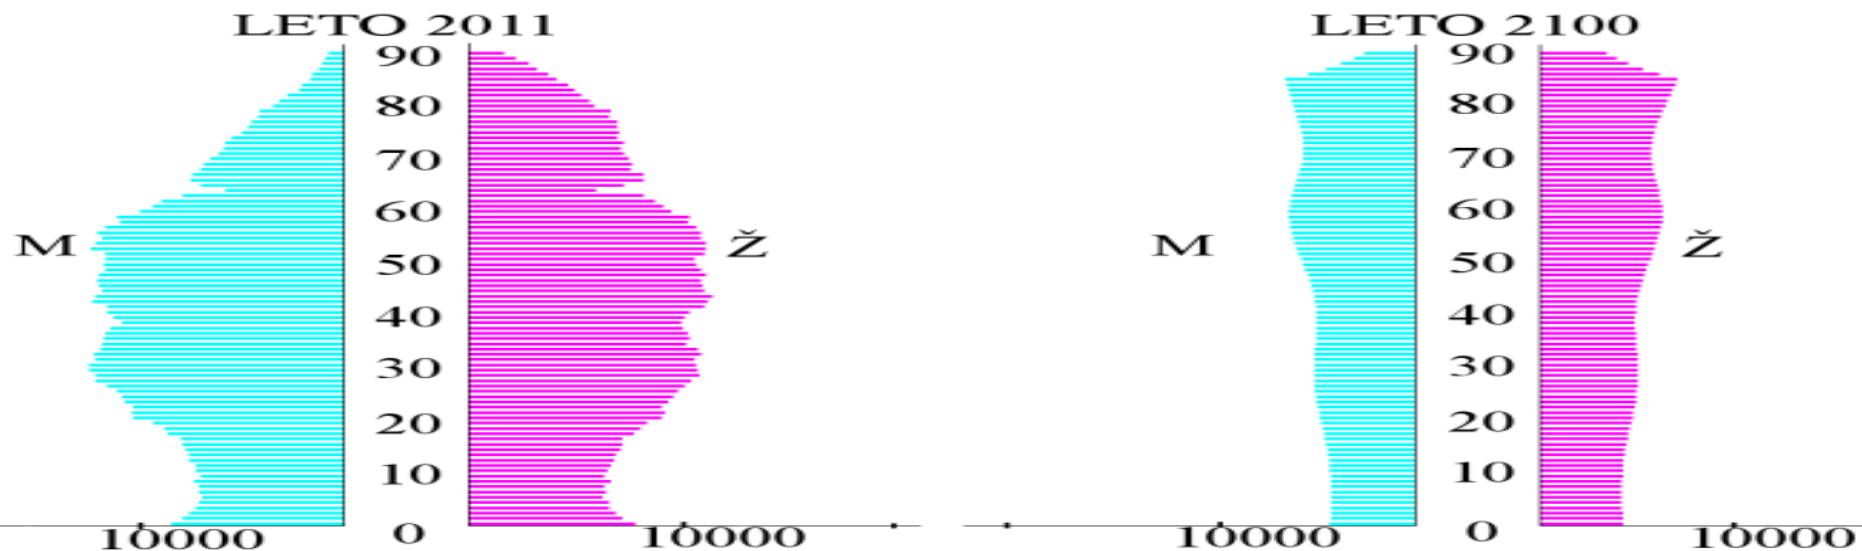

In addition:

- *An appeal to media regarding problematic demographic movements and need to support the retirement reform*
- **19th October** in Parliament open discussion

Chairs: Janez Malačič and Matjaž Gams

Presenting: Karin Kasesnik

1. *Demographic relations in Slovenia degenerated due to small fertility rate*
2. *Slovenians as nationality are rapidly dying out*
3. *The economic consequences are dire – we urgently need reforms such as the retirement reform regardless of ideology, politics etc.*
4. *When will we „wake up“??*
