INCO International, Diversity and implementation benefits in multicultural environment

Marija Kokelj
INCO International

• Challenging learning environment
• Developed tools, approaches, strategies, models, achievements and best practices that work
• Experiences, knowledge and a lot to show
• Further steps in Slovenia and abroad
## Multicultural aspects

Ways to achieve goals

Living INCO movement made significant changes in many environments.
Many lessons

• Out of conventional approaches
• Create synergy
• Breakthrough (people, places, environment)
INCO goes Worldwide

- Knowledge for the future
- Wisdom of a new space
- Global recognition

- Create more effects in a time line with different achievements and new learnings
Next steps

Time is what prevents everything from happening at once.
