Your account / Set a default license

Select a default license

Don't forget to make sure that you have all the necessary rights and you won't be infringing on any third parties with any content that you license on Flickr. As per our Community Guidelines, accounts are intended for members to share content that they themselves have created.

This will apply to everything you upload from now on. You can also change the license on all your existing public content in a batch if you wish.
