FP5web Projects Service

The FP5web projects service enables you to dynamically retrieve all FP5 funded projects information from the CORDIS RTD Projects database by **performing an interactive search** of all FP5-funded projects currently available.

Also provided below are a number of browse options for projects by specific FP5 programme:

- **Quality of life and management of living resources**
- **User-friendly information society (IST)**
- **Competitive and sustainable growth (GROWTH)**
- **Energy, environment and sustainable development (EESD)**
- **Confirming the international role of Community research (INCO II)**
- **Promotion of innovation and encouragement of SME participation**
- **Improving human research potential and the socio-economic knowledge base**
- **Research and Training in the field of Nuclear Energy**

Note: Details of these projects are being added to the CORDIS RTD-Projects database as they become available.

Some of the specific programmes have established their own dedicated projects service - for direct access, go to the web pages of the programme concerned.

If you are interested in searching for projects from previous programmes along with FP5, go to the [CORDIS RTD Projects Database search](#).
