- OUR MISSION

Create an opportunity and environment where **children will mutually connect** by ensuring **pleasant gathering, entertainment and workshops** with one-day active programme, which will start at 10 a.m. and last until 6 p.m.

- We prepare a rich programme, appropriate for children of all ages. The main aim is for them to meet, socialize and connect in groups.

- CREATIVITY

It is about a playful and coloured way of building the positive attitude towards environment, which is an essential part of education of every individual.

Vison of the festival in the future:
